

November 2020

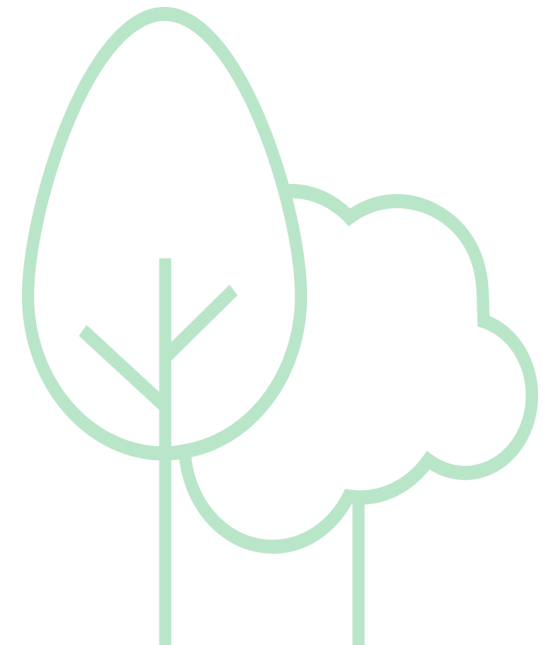

Sustainable, public procurement

City of Copenhagen

**10.00 – 10.15: Welcome to the City of Copenhagen / Head of CSR and Procurement
Law David Salomonsen, City of Copenhagen**

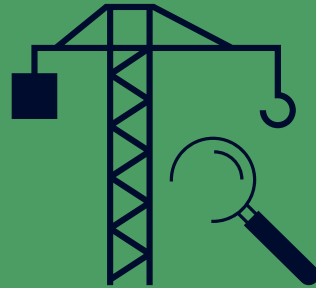

Structure of the CSR team

Sustainable Procurement

Social Dumping

Procurement Law

Procurement of

€ 1,1 billion

Why work with sustainable procurement?

- Reduce negative effects from own procurement
- Support the development of new responsible and sustainable products, services and solutions

So, what do we do?

- 1) Implementation of environmental and climate requirements in tenders
- 2) Advisory and support
- 3) Green Reference Work
- 4) External partnerships and projects
