

Appendix 3 Declaration for insulation materials

To be used in conjunction with an application for a licence for the Nordic Swan Ecolabel of windows, window doors or external doors.

This is a declaration for excluded substances in insulation materials used in windows and doors and applies to the manufacturers of the insulation material.

This declaration is completed and signed by the manufacturer of the insulation materials based on their knowledge at the time of the application and based on tests and/or declarations from raw material manufacturers, with reservations for new advances and new knowledge. Should such knowledge arise, the undersigned is obliged to submit an updated declaration to Nordic Ecolabelling.
